

REMARKS

At the time the Official Action was mailed, claims 1-13 and 28-30 were pending in the present application. In the Official Action, the Examiner allowed claims 1, 3-7, and 28-30, objected to claim 9 and rejected claims 8 and 10-13. In view of the allowable subject matter, Applicants have chosen to place the application in condition for allowance. However, it should be noted that Applicants do not necessarily agree with the Examiner's rejections.

Claim 1 has been amended to correct a lack of antecedent basis error in drafting. Based on the Examiner's indication of allowable subject matter, independent claim 8 has been amended to include the subject matter originally recited in allowable dependent claim 9. Accordingly, claim 9 has been canceled. Applicants respectfully submit that claims 1, 3-8, 10-13 and 28-30 are now in condition for allowance.

Conclusion

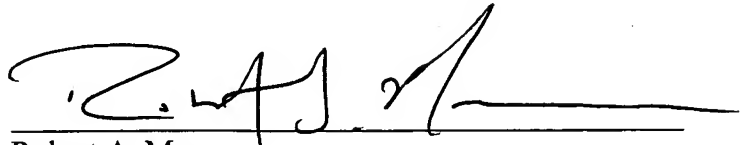

Applicants thank the Examiner for the indication of allowance of claims 1, 3-7, and 28-30. In view of this indication of allowable subject matter, as well as the remarks and amendments set forth above, Applicants respectfully request allowance of claims 1, 3-8, 10-13 and 28-30. If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.
